

HOSTS ARE HEROES!

We need heroes like you!

Come have lunch with us... and bring nine
other "Kids at Heart" with you!

What does it mean to be a part of the Kids at Heart Charity Lunch?

Kids at Heart is the coolest lunch of the year! If you feel young at heart, this event is definitely for you! Plus, there's a ton to learn about Sacred Heart Children's Hospital and Providence Health Care Foundation.

Why should I be a Hero Host?

If you host (which you should), you can help us help the kids in our community who need it most! Invite your friends, family and colleagues to have even more fun.

How does a Hero Host invite people?

Whatever method is best for you—e-mail, phone call, or on our website at kidsatheartcharitylunch.org.

How do I pay for my guests or how do they pay?

It's super duper easy to pledge! At the event, you can choose to give a one-time donation, or pledge monthly. Better yet, host an entire table for your friends! We don't have a minimum donation requirement, so we ask guests to make a gift that is from the heart.

What if I can't fill my table?

Call us—we can often help you fill your table or maybe you can co-captain a table with a friend!

Sacred Heart Children's Hospital is the only full-service children's hospital between Seattle and Minneapolis, caring for the most critically ill and injured children in our region.

Over the past 14 years, the Kids at Heart lunch has helped raise **over \$1.35 million** to ensure all families have access to pediatric excellence—regardless of ability to pay. All proceeds benefit Sacred Heart Children's Hospital.
